

Husky Liners® Authorized Dealer Program

The official Husky Liners® Authorized Dealer Program is designed to assist retail outlets by referring consumers from our website directly to their location. Through our widely expanded marketing/advertising programs in 2012, coupled with our aggressive 2013 campaigns, we are continually striving to drive consumers to ask specifically for Husky Liners®. As consumers visit our website, we are providing them with multiple ways to purchase Husky Liners® products. Consumers will have the option of shopping at local retail outlets or online dealers. Both physical locations and online dealers may apply to be listed as an Authorized Dealer or earn the status of a Premium Authorized Dealer.
