

HUSKYLINERS®

weatherBEATER

CARE AND USE INSTRUCTIONS

Thank you for selecting a WeatherBeater® Floor Liner from Winfield Consumer Products. Your new front floor liners are custom molded to fit your Jeep Wrangler 2-Door and 4-Door models. The liners are made to take the place of your factory floor mats. **For correct fit, it is necessary to remove the factory floor mats before installing your new floor liners.** However, do not remove the factory-installed carpeting.

Your liners are made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liners is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liners slick.

INSTALLATION INSTRUCTIONS FOR YOUR JEEP WRANGLER FRONT FLOOR LINER

TO EASE INSTALLATION OF YOUR NEW WRANGLER FRONT FLOOR LINERS, FIRST MOVE BOTH FRONT ROW SEATS TO THEIR MOST REARWARD POSITION (ALL THE WAY TO THE BACK). ONCE YOU HAVE INSTALLED YOUR LINER, REPOSITION THE FRONT ROW SEATS AS DESIRED.
